Notes

1. The quarterly report provides a basis for informing the market how the entity's activities have been financed for the past quarter and the effect on its cash position. An entity that wishes to disclose additional information is encouraged to do so, in a note or notes included in or attached to this report.
2. If this quarterly report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standard applies to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.

Note

The Acquisition of CCP Group consisting of CCP Holdings Pty Limited and its wholly owned subsidiaries and Cold Chain Partners Pty Limited was completed on 13 September 2016. This results CCP shareholders holding a controlling interest in the Company after the transaction. As a result, it has been determined that the transaction will be accounted for as a 'reverse acquisition' in accordance with the requirements of *AASB 3 Business Combinations* (AASB 3) and is therefore accounted for as a continuation of the financial statements of CCP Group, The Statement of Cash Flows therefore represents the cash flow of CCP Group for the 3 months ended 30 September 2016 plus the cash flows of Agenix Limited and its subsidiaries for the period 13 September 2016 to 30 September 2016.
